54. Black individuals had to yield their seats to white people in the front of buses.

55. Rosa Parks' refusal to yield her bus seat to a white man led to her arrest. It ignited a grassroots movement within the black community in Montgomery, resulting in a bus boycott.

56. They expressed their discontent by boycotting the buses, choosing to walk to work or find alternative means of transportation.

57. The bus boycott persisted for about a year and eventually led to the alteration of the discriminatory bus law.

58. Rosa Parks challenged the notion that leadership is confined to those with titles or positions of power. Her quiet act of defiance catalyzed a grassroots movement, leading to a transformative change in discriminatory bus laws. Rosa Parks became a symbol of resilience, proving that one person's determination to stand up against injustice could inspire significant societal change and ignite a movement for civil rights.
