

# Answer Key

- |                   |                       |
|-------------------|-----------------------|
| 1. $\frac{3}{8}$  | 45. 17                |
| 2. $\frac{1}{2}$  | 46. 14                |
| 3. $\frac{1}{2}$  | 47. 90                |
| 4. $\frac{1}{8}$  | 48. 26                |
| 5. $\frac{1}{2}$  | 49. 21                |
| 6. $\frac{2}{3}$  | 50. 4                 |
| 7. 1              | 51. 17                |
| 8. 1              | 52. 13                |
| 9. $\frac{2}{3}$  | 53. 20                |
| 10. $\frac{1}{2}$ | 54. 19                |
| 11. 80            | 55. 5                 |
| 12. 70            | 56. 13                |
| 13. 31            | 57. 7                 |
| 14. 50            | 58. 13                |
| 15. 80            | 59. 28                |
| 16. 30            | 60. 13                |
| 17. 18            | 61. A=9, B=2          |
| 18. 27            | 62. 88                |
| 19. 390           | 63. A=9, B=8          |
| 20. 9             | 64. 27                |
| 21. 16.7          | 65. 26                |
| 22. 7.3           | 66. 26                |
| 23. 14.3          | 67. A=1, B=2          |
| 24. 17.4          | 68. A=1, B=6          |
| 25. 9.2           | 69. A=5, B=5          |
| 26. 4.5           | 70. A=6, B=2          |
| 27. 1.2           | 71. 50                |
| 28. 5.7           | 72. $10 - 8 = 2$ (hr) |
| 29. 2.5           | 73. $90 - 33 = 57$    |
| 30. 11.9          | 74. $62 - 33 = 29$    |
| 31. 12.5          | 75. $58 + 37 = 95$    |
| 32. 5.7           | 76. $3 + 5 + 10 = 18$ |
| 33. 13.4          |                       |
| 34. 12            |                       |
| 35. 11.3          |                       |
| 36. 10.5          |                       |
| 37. 13.41         |                       |
| 38. 11.04         |                       |
| 39. 13.2          |                       |
| 40. 14.35         |                       |
| 41. 34            |                       |
| 42. 6             |                       |
| 43. 5             |                       |
| 44. 7             |                       |

# MAP 220 (T2) Issue 3

77.

4 by 4 or 2 by 8

78.  $32 - 17 = 15$

$32 + 15 = \boxed{47}$

79.  $10 + 20 + 40 + 80 = \boxed{150 \text{ hours}}$

80.  $30 \div 10 = 3$

81.  $120 \div 60 = 2 \text{ hrs}$

82.  $6 \times 6 = 36$

83.  $5 \times 20 = 100$

84.  $5 \times 12 = 60$

85.  $24 \div 8 = 3 \text{ buckets}$

86.  $23 \times 3 = 690 \text{ (feet)}$

87.  $6 \times 5 = 30$

88.  $150 \div 50 = 3 \text{ (hours)}$

89.  $21 \div 7 = 3$

90.  $16 \times 2 \times 10 = 320$
